- ◆ Case management
- ◆ Tobacco cessation and treatment programs
- ◆ Injury prevention
- ◆ Access to affordable medications
- ◆ Telemedicine

*Culturally Sensitive
Age Appropriate
Healthcare*

We are working to keep your family physically and emotionally healthy by increasing neighborhood access to quality health and preventive services.

"Telemedicine provides convenient onsite access to specialty care"

Our Community Clinics offer convenient access to health care for students. Performance improves as their physical and mental health are nourished.

All clinic visits are confidential and follow mandatory federal regulations.
