2010 SUMMER PROGRAMS OVERVIEW AND APPLICATION

Programs Operate (May 25th – June 30th)*

*No classes on Monday, May 31st

4th and 8th Grade LEAP and High School GEE

8:30am-2:30pm Monday-Thursday (no classes on Friday)

Program Descriptions

The Louisiana Educational Assessment Program (LEAP) and the Graduation Exit Examination (GEE) are part of Louisiana’s criterion-referenced testing (CRT) program. LEAP and GEE are high-stakes tests. They measure how well a student has mastered the state content standards. LEAP is administered in 4th and 8th grades and the GEE in 10th-12th grades.

The LEAP tests are designed to ensure that 4th and 8th grade students have adequate knowledge and skills before moving on to the next grade. The GEE requires that high school students exhibit sufficient knowledge and skills to be eligible for a standard high school diploma. Since these tests are so important for the futures of not only our students but our city and state it is imperative that we have the best possible teachers for remediation. Many of our summer re-testers just need that extra focus in order to pass these important tests and move on to become a more educated populace.

Students with Disabilities at any grade level may qualify for Extended School Year Program (ESYP) based on progress in their Individualized Education Program (IEP).

The application deadline for LEAP and GEE summer positions is **Wednesday, March 31st**.
