1. The salary schedule provides an estimate of salary that can be earned during a full school year. For 2009-2010, employees starting after 7/27/2009 will have their salary adjusted to reflect the number of days worked during the school calendar year. Add
2. High school counselors are categorized as 10-month employees. As such, during the 2009-2010 school year, they are expected to work 202 7.75-hour days with a 30-minute lunch plus morning and afternoon duty as dictated by school schedule. The annual salary quoted is paid to employees via bi-weekly paychecks over a 1
3. High school counselor salary scale is base on scale for certified professionals. Salary increase reflects additional work days. All school counselor's daily rates are equal based on years of service.
4. For the 2009-2010 school year, certified professional stipend pay is based on a rate of \$25/hour.
5. The salary schedule is based on the 2009-2010 extended-day program and is subject to change for future years.
