<p>Kinetic Potential Scholars</p>	<p>The Kinetic Potential Scholars (KPS) program is founded upon the core belief that every child has remarkable potential and that truly, no child should be left behind by our society —academically, socially, or professionally. KPS aims to galvanize students' involvement with their own education and career goals. KPS' utilizes the same cutting-edge technology as today's most popular video games, engaging and grabbing student's attention in the same way video games reach out and grab kids' attention. The program recruits its KP Tutors from the top Masters and Doctoral programs across the country, including the schools of education of Harvard, Penn, and Yale.</p>	<p>Grades 5-8</p> <p>Reading, Math, and ELA</p> <p>LEP</p>	<p>Computer</p> <p>Accessibility in home, school, etc</p>	<p>NA</p>	<p>*New</p>
